7:15pm – 8pm Panel Discussion and Q&A with Filmmaker

Break the Chain

Director Laura E. Swanson

Break the Chain captures the first-hand accounts of Debbie and Kwami, two survivors of child sex and labor trafficking to provide a startling look at how this overly sensationalized issue is, in reality, hiding in plain sight. Accompanied by interviews with those actively working to raise awareness create creative solutions to combat this global problem, the film helps us learn that we have the power to change lives choosing how we consume our information, and what we support.

❖ Campus Police

WVU Tech prides itself on being a safe and secure campus. We ask that you join together with other members of our community in keeping one another safe.

Safety Tips

University Police offer this advice to our community:

Be aware of your surroundings and take the necessary precautions to the loss of your belongings.

Purses, wallets, cell phones, tablets, gaming systems and textbooks are among the items that are reported missing most often.

Students, as well as faculty and staff, are urged to take all necessary measures to secure and protect personal belongings in residence halls, offices and vehicles in addition to office equipment and other vulnerable items.

We should always be on the lookout for suspicious activity and report it.

Take the extra time to secure items in the trunk or under the seat before leaving your automobile. The threat of a break-in is reduced if your belongings are not visible. Remember to lock your vehicle before leaving it.

University Police remind students to also practice safety in the residence halls:

- Make sure your door is locked when leaving your room, even if you are only going next door. It takes less than 10 seconds for a thief to enter an open room and steal property.
- Do not leave messages on phones or social media accounts indicating how long you will be away or when you expect to return.
- Follow the safety in numbers rule when going out at night and arrange to go with friends/roommates. It is a good practice to scan your surroundings whether you're walking on campus, traveling by automobile or enjoying a shopping excursion. Call and request a University Police escort at 304.929.COPS (2677) to get an escort on campus to your vehicle or residence.
- Download and utilize the free LiveSafe mobile app from Apple iTunes or Google Play. The LiveSafe campus safety app enables a two-way communication system between students and University Police, lets you invite your friends to virtually watch you walk back to your residence hall (Safety Walk) and provides emergency resources.
- Do not leave valuables or property (purses, backpacks, books, personal identification, etc.) visible in or around the office, living or common areas.
- Keep emergency numbers on your phone. Call 304.929.2677 to report any suspicious person or activity.
- Wear seatbelts and ensure your passengers do as well. It can save lives and it's the law.
- Do not drink and drive. It may cost a life or permanent criminal record affecting your future.
- Park your phone while driving. It's dangerous and against the law.
- Take the time to be aware of your surroundings and any unusual activity.

❖ **New River Transit Authority**

Good Afternoon,

The New River Transit Authority is taking a comprehensive look at bus service in Raleigh and Fayette Counties. Please feel free forward to your student and faculty in order to assist with obtaining as many completed surveys as possible.

Help New River Transit design a bus service that you can depend on to get you to all the places you need to go: work, school, shopping, medical and dental appointments, to visit family and friends, and anywhere else you want to go!

Please see the attached survey and link!

<https://www.surveymonkey.com/r/NewRiverTransit>

❖ **Notice: Posting Flyers**

When posting flyers on campus, please make sure they are put in the appropriate place. Designated areas can be bulletin board or other marked areas. Windows, walls and doors are not these places. If you have questions on where to put something, please at faculty or staff member that works in that building. Thanks!
