

## SGA Agenda

August 22, 2017

**I. Call to Order – 1:05pm**

**II. Verbal Roll Call**

**III. Approval of Minutes**

**IV. President's Report:**

- a. Welcome Message – Welcome back for the year. We will be adjusting the room in order to fit all in attendance. This will be communicated via email.
- b. President's Inspirational Message of Week. – Put your heart, your mind and your soul.

**V. Treasurer's Report:**

- a. First Budget Proposal meeting will be September 12, 2017 – Contact mark if you need help. Links are on the website.

**VI. Dean of Students Report:**

Welcome back from the summer. Different opportunity on the Beckley campus here, hope all are finding everything. Thank you to everyone for helping the transition. Over 500 new students coming in this semester, highest in a long time. May be one of few in the state with an enrollment increase. Thank you to the students for helping promote the Tech community. Officially opened the student activities room earlier today, it is a fantastic spot for people to come and relax, do work, organizations. High hopes for everyone. Mike Sheldon is here for assistance with student activities for organizations. SGA office is in G10 of Benedum. Dean will have weekly drop-in hours. Located in student life house (House left of Hogan Hall). Wednesday's between 2-4pm, otherwise call/email for any assistance.

**VII. Committee Report**

- a. SAB – Meetings are every Monday at 6pm in the Blue Room. Schools "Movie Night" at the Raleigh Playhouse. Tech students get in free Thursday-Saturday. Discounts other days. Comedian this week, 7:30pm @ Raleigh Playhouse

**VIII. Organization Spot Light**

- a. Sign up for spots – Sign up list has been made.
  - 9/5 – Delta kappa Theta & Forensics club
  - 9/19 – Phi Kappa Tau & SAB
  - 10/3 – IEEE & SAE Aero
  - 10/17 – Sigma Pi & Baja
  - 10/31 – eSports & Gaming at Tech
  - 11/14 – SCOOT & Tech Media Crew
  - 12/5 – Psych & Student Nurses Association

**IX. Old Business**

- a.

**X. New Business**

- a. Organizations will need to re-register their organization online. – Only 6-7 organizations have re-registered. Link to do that is on tech webpage. “Current Students” – “Organizations” – “Register Organizations”. Additional funds page also at this tab.
- b. Senators – Looking for more senators. Applications can be picked up from the SGA.
- c. Involvement Fair will August 29. 11am-1pm. LRC Patio.
  - i. Sign Up for Involvement Fair online (One member must be at organization tables at all times).
  - ii. Organizations can fill out the form online to request additional start-up funds.

**XI. Concerns of Student Body**

- a. “How long until Physical Science building is opened?” Waiting for fire marshal to approve occupancy. Second floor is already open. Only faculty and facilities access at the moment as no need for students as of yet.
- b. “Can we still use tech vans?” – No overnight trips. Can be booked through Mike and/or facilities. If no vans available, rental company.
- c. “Packages are being delivered but not being notified to be picked up”. – Dean will follow up.
- d. Dean has asked about dining quality. Students have said foods are improving, still could improve. No options about breakfast. New chef, Chef Devin Godbey, still getting things together. Some staff left at the last minute, leaving dining services shortstaffed. Some hours busier than others. As more staff are hired and the year gets rolling, quality shall improve. “Farm to table” way as we move on. Tech Spot will not be opening tomorrow (8/23). Starbucks was meant to be coming in Aug 4 to install equipment, they delayed it. Same occurred on 8/18. Still to be rescheduled. Will be an improved menu at the Tech Spot. Dean will ask Chef Devin to convene a monthly talk. Also been asked for biodegradable bowls for cereal. Asked about opening Tech Spot without the machines just for grab and go food. Students can use break room fridges for food.
- e. Dean was asked about staff serving people – This is a cross-contamination reason (religious, vegetarian etc). Issue also about tongs falling into food about being touched by students. Trying to make things as sanitary as possible.

**XII. Announcements**

- a. SAE Baja & Aero are holding a get together to show what they are about. 5:30pm (8/22) outside of E-Lab building.
- b. Meet the Greeks is at 6pm at the LRC patio. Snacks and drinks will be provided.
- c. 9/4 campus is closed for Labor Day.
- d. SCOOT is having their first meeting in University. Next meetings will be in Benedum. Talk to Kirstie Tran or Chris Edmunds
- e. Tech adventures will be having sign ups from 5- 7 for events (paddle boarding, etc)

**XIII. Adjournment – 1:36pm.**
